## NATURE HOUSE

---

**lagoon**  
REGULATIONS  
ANNEX III

# lagoon REGULATIONS

---

The occasional use of the lagoon is exclusive to guests for engaging in sports activities, always under the supervision of a Santa Cruz | Movement & Nature House professional.

**LAGOON HOURS**  
**10H00 - 19H00**

---

IN A SUSTAINABILITY APPROACH, THIS LAGOON FUNCTIONS AS A RAINWATER RESERVE FOR IRRIGATING THE GARDENS OF OUR COUNTRY HOUSE.

- I. The quality of the water, as well as safety during unsupervised use, cannot be guaranteed.
- II. The use of a life jacket is mandatory.
- III. To access the dock or use the rowboat, please go to the reception.
- IV. All equipment used must be stored in its designated place after use.
- V. Equipment use should be limited to a reasonable period to allow sequential use by other guests.
- VI. Photographing or recording videos is prohibited without the consent of other guests.
- VII. Consumption of food is not allowed within the lagoon area.
- VIII. Glass bottles or any glass containers are not permitted.
- IX. It is recommended to keep noise levels low.
- X. Use of the lagoon by individuals under 16 years old is not allowed without supervision by a responsible adult.
- XI. The use of materials, devices, and other equipment that does not comply with this regulation, equipment instructions, or supervision by Movement & Nature House professionals is the sole responsibility of the users.
- XII. Use of materials, devices, and other equipment by those who lack knowledge of their proper use, without supervision by a Movement & Nature House professional, is prohibited.

---

These rules are essential for maintaining a pleasant and safe environment. Violation of these rules may result in restricted access to the lagoon.
